On behalf of organizing committee, we are pleased to invite you to attend our two days symposium on "Symposium on Materials Science Toward New Horizons-2023" at Department of Chemistry, IIT Indore. To reset the research rhythm post pandemic, we plan to organize this two days research symposium. This symposium will witness some highly prolific researchers from the national and international as a speakers working in diverse multi-disciplinary areas. symposium will cover the whole wide area of cutting-edge research across inter-disciplinarily.

Symposium on Advance Materials and Interfaces (SAMI) - 2023

Professor Rajneesh Misra / Dr. Shaikh M. Mobin
Department of Chemistry IIT Indore, Simrol
Khandwa Road, Indore 452020
Email: rajneeshmisra@iiti.ac.in / xray@iiti.ac.in

The scientific program will witness a stimulating display of dynamic lectures and interactive poster session. We recommend the young research scholars to present their research at this symposium to avail these opportunities for both oral and poster presentations.

Theme of the Seminar will be focus on following topics:

- * Chemistry for Sustainable Energy
- * Bio-Medical Applications
- * MOFs/COFs Applications
- * Organic transformations
- * Machine Learning in Chemical Transformation
- * Structural reactivity
- * Other Applied Chemistry
