

भारतीय प्रौद्योगिकी संस्थान इंदौर  
Indian Institute of Technology Indore

# A GIAN COURSE ON ADVANCED ORGANIC SYNTHESIS AND CATALYSIS FOR A SUSTAINABLE FUTURE

Course Duration: March 24 - 28, 2025

Venue: 1D-105, IIT Indore

## Expert Faculty

Prof. Oliver Reiser

Faculty of Chemistry and Pharmacy  
University of Regensburg, Germany

## Course Coordinator

Dr. Debayan Sarkar

Department of Chemistry  
IIT Indore, India

**Registration is open!**

**\*Limited to only 200 Participants\***

**Registration Deadline: Feb 28, 2025**

## Objectives

- Basics of Natural Product Synthesis and Asymmetric Synthesis
- Fundamentals of Various Spectroscopic Techniques
- Emerging Technologies: Photocatalysis and Flow Chemistry
- Catalytic Conversion of Renewable Resources— State of the Art and Challenges
